Greetings,

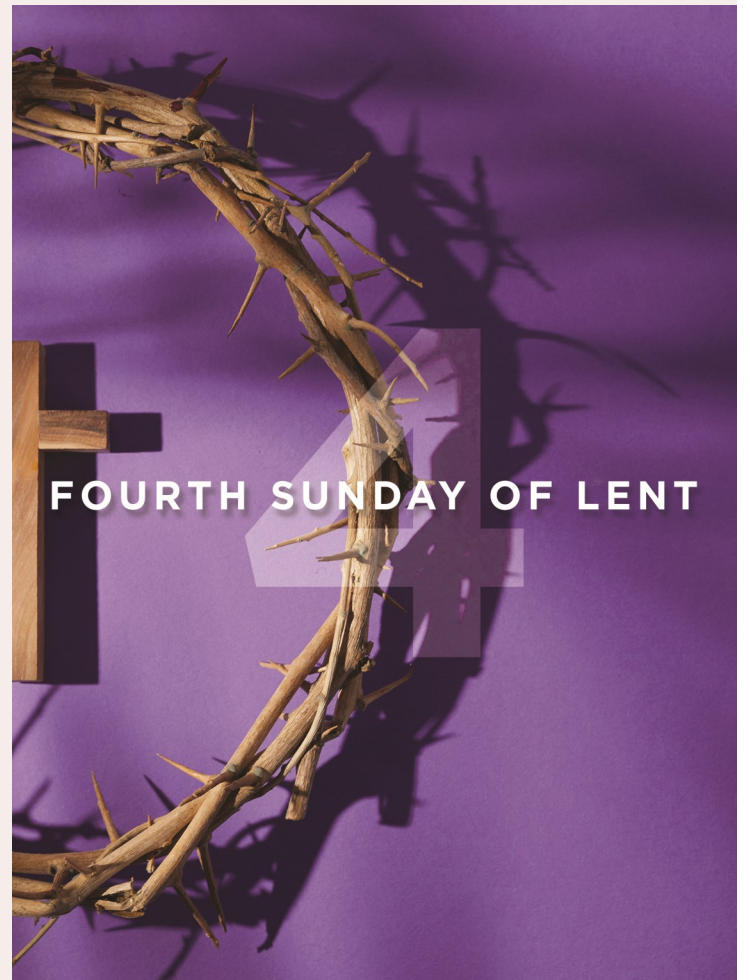

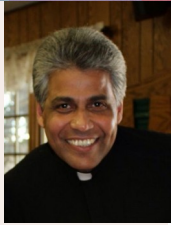

“Even now says the Lord, return to me with your whole heart. Rend your hearts and not your garments, return to the Lord, your God” (Joel 2:13). With these penetrating words of the Prophet Joel, we began the gracious season of Lent. The prophetic appeal challenges all of us without exception, that conversion is not to be reduced to outward forms but engages and transforms one’s entire existence. We are invited to open our eyes and ears, but especially to open our hearts. What counts is not appearances; but what we have inside us.

The exhortation which the Lord addresses to us through the prophet Joel is strong and clear: “Return to me with all your heart” (Joel 2:12). Why must we return to God? Because something is not right in us, not right in society, in the Church and we need to change, to give it a new direction. And this is called needing to convert! Once again Lent comes to remind us that it is possible to create something new within ourselves because God is faithful, always faithful, he continues to be rich in goodness and mercy, and he is always ready to forgive and start afresh.

The Church has designated seven psalms: 6, 32, 38, 51, 102, 130, and 143 as “penitential,” that is, appropriate for prayer during a time of personal or communal repentance. These psalms take the form of laments because their subject is lamenting over sin and the problems that arise for the sinner. Prayerfully reciting these psalms will help us to acknowledge our sinfulness, express our sorrow and ask for God’s forgiveness. “Blessed are those whose way is blameless, who walk in the law of the Lord!” (Ps 119:1).

Have a Blessed Weekend.

Fr. George

## FOURTH SUNDAY OF LENT

### First Reading:

While the Israelites were encamped at Gilgal on the plains of Jericho, they celebrated the Passover.

### Psalm:

Taste and see the goodness of the Lord.

### Second Reading:

And all this is from God, who has reconciled us to himself through Christ and given us the ministry of reconciliation.

### Gospel:

"But now we must celebrate and rejoice, because your brother was dead and has come to life again; he was lost and has been found."

### Gospels Meditation:

A man looking a bit downtrodden approached me as I filled my car's gas tank. He asked, "May I share with you my testimony about how good God is?" "OK," I skeptically answered. He went on to tell me that he had been an alcoholic and drug addict, and that God had healed him; now he was four years sober. He said, "I didn't deserve it, but now I'm a different person. God is so good! Have a terrific Tuesday!" A few minutes later, as I drove away, I saw him smiling and handing a homeless person some money. I was confronted with a choice: either he was a total fraud or God had changed him. *Something* had happened to him, and it didn't seem fake. Maybe it was God.

When Jesus heals the man born blind, the man becomes a challenge to everyone who meets him. They must decide. Is he the same blind person who they knew before? Who healed him and how? And what is the status of the one who can heal such infirmities? We shouldn't be surprised at the storm of doubt, hatred and animosity that swirls around the healed man — so it often goes when Jesus heals someone even to this day.

Like we often do, the religious leaders confronting the healed man declare that God is not at work. They ask with mocking superiority and dismissive disdain, "**You were born totally in sin, and are you trying to teach us?**" (John 9:34). And they cast him out. When Jesus clearly works in our lives, in us or around us, we should accept it, and give praise and thanks for this wonderful manifestation of his goodness.

— Father John Muir

## DISCIPLES OF THE MISSION ANNOUNCEMENTS CONTINUED

### 2025 March FoodShare Campaign:

The 2025 campaign begins March 1<sup>st</sup> and ends April 6<sup>th</sup>. Feeding America reports that over 537,000 Minnesotans are dealing with food insecurity, 34% of those are under the age of 18. As grocery prices rise and funding for food programs decrease, the number of people visiting food shelves for emergency assistance is on the rise. Food shelf visits have increased by 150% over the last 5 years. Food shelves in our area need your support. Please donate non-perishable food items including: Spaghetti sauce and noodles, sugar, flour, oil, baked beans, rice, canned fruits, vegetable or meat. Collection baskets are in church entries, or you can send a financial donation to your local food shelf. Financial donations go further due to access to food banks and discount purchasing programs, allowing Food shelves to purchase items most needed in their community. The Outreach Food Shelf in Alexandria supports all of Douglas County (1205 Lake Street, Alexandria, MN 56308). Otter Tail has several food shelves (Parkers Prairie, Henning, Battle Lake). God bless you for feeding his hungry children!!

All are invited to participate in the **Diocesan Chrism Mass** being celebrated Thursday, April 10 at 7pm at the Cathedral in St. Cloud.

### Tenebrae - A Tradition at St. Mary's Cathedral

Everyone is welcome at St. Mary's Cathedral in St. Cloud on Good Friday evening, April 18, at 8:00 pm for Tenebrae, which is Latin for shadows or darkness. At this event, participants will experience the gradual extinction of all lights in the church, symbolizing the temporary triumph of the prince of darkness over the Light of the World, and loud noises created at the end of the service by the assembly and ministers, suggesting the earthquake described in the Passion Narratives. This is a family event and all are welcome.
